MARKS' PATENT ARTIFICIAL LIMBS

WITH RUBBER HANDS AND FEET

Are Natural in Action, Noiseless in Motion, and the Most Durable in Construction.

same wages; in fact, experiencing little or no inconvenience.

Over 14,000 in use, scattered in all parts of the world. Eminent surgeons and competent judges commend the Rubber Foot and Hand for their many advantages. At every industrial exhibition where exhibited they have received the highest awards. They are endorsed and purchased by the United States and foreign governments. A treatise, containing 430 pages, with 260 illustrations, sent FREE; also a formula for taking measurements by which limbs can be made and sent to all parts of the world with fit guaranteed. Address,

A. A. MARKS,

Established Forty Years.

701 BROADWAY, NEW YORK CITY.

southerly and westerly by the city limit to the center of Crescent street; thence southerly through the center of Crescent street to the center of Goffe street; thence southeasterly through the center of Goffe street to the point of intersection of the central lines of Goffe street and Broadway; thence southeasterly through the center of Broadway to the center of York street, to the center of Grove street; thence easterly through the center of Grove street to the point of beginning.

Tenth Ward—Commencing at the point of intersection of central lines of York street and Broadway, thence continuing northwesterly through the center of Broadway, and Goffe street to the point of intersection of the central lines of Broadway and Goffe street; thence northwesterly through the center of Goffe street to the center of Crescent street; thence northerly through the center of Crescent street to the city limit; thence westerly and southerly by the city limit to the center of Chapel street; thence easterly through the center of Chapel street to the center of York street; thence northerly through the center of York street to the point of beginning.

Eleventh Ward—Commencing at a point on Barnesville bridge coincident with the intersection of the central line of Grand avenue and the center of the westerly channel of Mill river; thence continuing southerly through the center of the westerly channel of Mill river to its junction with the main channel of said river; thence southerly through the center of the main channel of said river to its junction with Quinnipiac river; thence easterly and northerly through the center of the Quinnipiac river to a point coincident with the

central line of Grand avenue; thence westerly through the center of Quinnipiac bridge and Grand avenue to the point of beginning.

Twelfth Ward—Commencing at a point on Barnesville bridge coincident with the intersection of the central line of Grand avenue and the center of westerly channel of Mill river; thence continuing easterly through the center of said bridge and the center of Grand avenue to the city limit in Quinnipiac river; thence northerly and northwesterly by the city limit to the center of the channel of Mill river; thence southerly following the center of the said channel to the point where said river is divided into two channels; thence through the center of the west channel to the point of beginning.

Thirteenth Ward—All that part of the town of New Haven which is westerly and northerly of the Ninth ward and northerly and westerly of the Tenth ward, and westerly in part of the Second ward.

Fourteenth Ward—All that part of the town of New Haven lying easterly of the Quinnipiac river and northerly of a line commencing at a point in the center of Meadow street where said street joins Quinnipiac bridge; thence running easterly through the center of said street to a point where it intersects South Quinnipiac street; thence in a line running due east to the center of the Shore Line Railway; thence easterly in a line following the center line of said railway to a point where it intersects the dividing line between the towns of New Haven and East Haven.

Fifteenth Ward—All that part of the town of New Haven lying easterly of the Quinnipiac river and New Haven harbor and southerly of the Fourteenth ward.

CARRIAGE FEES.

For the carriage of a single passenger, with one trunk and carpet bag, hat box, or other similar article, from any railroad depot, steamboat landing, or other point or place within the city limits, to any railroad depot, steamboat landing or other place within said limits, fifty cents.

For the carriage of two passengers, with the amount of baggage stated above for each, from the same railroad depot, steamboat landing, or other point, place or destination, within said city limits at the same time, seventy-five cents, and for each additional passenger and his baggage, more than two, twenty-five cents. For each additional trunk, hat box or carpet bag, ten cents.

For carrying a child over four and under ten years of age, one-half the above rates.

For a carriage to and from a party or wedding, within the city limits, three dollars.

For a carriage to and from a funeral, three dollars.

And for the use of a hackney coach or equivalent vehicle and two horses, two dollars per hour, and at that rate for fractions of an hour.

No owner or driver of any baggage wagon or express wagon, or other vehicle for the carriage of baggage or goods of any kind from place to place in said city, shall charge, demand or in any way receive more than the following rates of prices, viz:

For the carriage of any trunk, chest or other article of baggage, or any box, bundle or package of goods of any kind not exceeding sixty pounds in weight, from any point or place within the city limits, to any point or place within said limits, twenty-five cents, and above that weight, two cents for every additional ten pounds or fraction thereof.

A TABLE OF DISTANCES

In Miles, from each Town in the State of Connecticut to New Haven.
